

please join us!

Please join Array BioPharma for an analyst and investor day that will highlight our pipeline of cancer and inflammatory disease drug candidates. The agenda will include updates from Array executive management and a detailed review of selected programs following presentations at the American Society of Hematology Meeting earlier in the week.

Special presenting guests include:

Guillermo Garcia-Manero, M.D.

Professor of Medicine

Chief, Section of Myelodysplastic Syndrome

Department of Leukemia

The University of Texas, MD Anderson Cancer Center, Houston, TX

Jeffrey R. Infante, M.D.

Director

Drug Development Program

Sarah Cannon Research Institute, Nashville, TN

Robert Z. Orlowski, M.D., Ph.D.

Professor

Department of Lymphoma/Myeloma

Division of Cancer Medicine

The University of Texas, MD Anderson Cancer Center, Houston, TX

Friday, December 16, 2011, 8:30-11:30 am Eastern Time

InterContinental New York Barclay

111 East 48th St

New York, NY ([MAP](#))
