AUDIT COMMITTEE CHARTER

October 2013

PURPOSE

The primary responsibility of the Audit Committee (the "Committee") is to assist the Board of Directors (the "Board") in overseeing (i) management's conduct of the Company's financial reporting process, (ii) the Company's internal control over financial reporting, (iii) the annual independent audit of the Company's financial statements by the Company's independent auditors and (iv) the Company's legal compliance and ethics programs. The Committee has sole responsibility for the retention, compensation and oversight of the independent auditors. The independent auditors report directly to the Committee.

In discharging its oversight role, the Committee is empowered to investigate any matters brought to its attention. In such investigations, the Committee shall have full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts. The Committee shall receive the funding reasonably necessary to retain the independent auditors to perform its audit and to retain any other experts required by the Committee to carry out its responsibilities.

MEMBERSHIP

The Committee shall be comprised of not less than three members of the Board, each of whom shall be independent in accordance with the rules of The NASDAQ Stock Market and applicable law. Accordingly, no member shall have a relationship to the Company that would interfere with the exercise of his or her independence from management and the Company. Each member shall be able to read and understand financial statements, and at least one member of the Committee shall be a financial expert, as determined by the Board of Directors in accordance with the rules of The NASDAQ Stock Market, the rules and regulations of the SEC and any other applicable law. If a vacancy arises on the Committee or if a Committee member ceases to satisfy the applicable independence requirements, Committee membership may temporarily consist of less than three members, or of less than three independent members, pursuant to and during the applicable cure periods permitted by The NASDAQ Stock Market.

The members shall be appointed by the Board of Directors upon the recommendation of the Corporate Governance Committee. The Board shall annually appoint a Chairman of the Committee.

MEETINGS; ATTENDANCE

The Committee shall meet at least quarterly. In addition, the Committee shall meet at least once annually with the independent auditors, and with the chief financial officer (and other

management as appropriate), in separate sessions to discuss any matters that the Committee or these other individuals believe should be discussed privately and to resolve any disputes that may arise between management and the independent auditors. The Committee shall also meet at least quarterly with management to discuss the Company's system of internal control over financial reporting and management's evaluation of the effectiveness of these controls.

A majority of Committee members shall constitute a quorum, but members of the Committee should endeavor to be present, in person or by telephone, at all meetings. The Chairperson may request that members of management and representatives of the independent auditors be present at Committee meetings.

MINUTES OF MEETINGS

Minutes of each meeting shall be prepared and provided to Committee members and made available to Company Directors who are not members of the Committee. Any action required or permitted to be taken at a meeting of the members of the Committee may be taken without a meeting if a consent in writing, setting forth the action, is signed by all of the members of the Committee. Such consent shall have the same force and effect as a unanimous vote. The Committee will file all written consents with the minutes of the proceedings of the Committee.
